Fore five hours in city court on Monday, from 8:30 in the morning until 1:30 in the afternoon, Judge Barnes heard testimony in the case of the state against Allc K. On the 18th the three in-spected the furs and selected a black for muff and scart that Dr. Wayte fox muff and scarf that Dr. Wayte said was for his niece. He said he would have to offer a check, and when Mr. Macpherson said that he did not know the doctor, the latter said that Mr. Harrington would vouch for him. Mr. Macpherson testified that he had heard from a Mr. Briggs that Har-rington had a valuable process in paper making and the doctor told him that Mr. Harrington had leased a house at Norwich Town.
